

Welcome to Your Champaign County Tradition

The Champaign County Fair is a bounty of traditions: the Junior Fair Livestock Shows and Contests, Horticulture, Home Economics, Antiques, some of the best Harness Racing in Ohio, Tractor and Truck Pulls, the Demolition Derby, an assortment of rides and games, and delicious food concessions. All of these great events combine to make the Champaign County Fair the best county fair in Ohio.

The Champaign County Fair marks the beginning of the last full month of summer, and it brings families and friends together to celebrate our agricultural heritage. As we celebrate the 170th Champaign County Fair, I encourage all of you to celebrate our great traditions and enjoy the family friendly environment with people from all walks of life in Champaign County.

Thank you to all of the people who make the Champaign County Fair a great tradition.

**Rod Bauer
CELEBRATING ROD BAUER’S LIFE**

Look at a freshly grilled pork tenderloin. What do you see? If you're a customer of KOVA of Ohio, a senior citizen at the Champaign County Fair or countless thousands of others he has cooked for over the years, often with his brother Don, it's likely you picture Rod Bauer manning the grill. It's one of the many things he naturally and joyfully did for others. Much of what he did was behind the scenes, not as visible as his grill work. In nearly all cases he declined recognition.

We celebrate his life and the many ways he made our lives better. Here is just a few of his favorite causes and people:

At the top of his list, his daughters Jennifer and Ashley, and the rest of his family; With Ashley and Jennifer he shared the experience of raising Angus and Maine-Anjou cattle for competition across the country;

Right at home, Rod helped 4-H and FFA youth, as well as other young people, and was a major supporter of Champaign County's premier social event, the Champaign County Fair;

He used his influence to support many charitable causes like the Urbana Rotary Club's Acre of Corn program to help eradicate polio;

He was honored by The College of Food, Agricultural and Environmental Sciences Alumni Society at The Ohio State University with the Outstanding Service to the Society Award for his support of scholarships and Ag Fall Fest.

Rod was dedicated to giving back, something he learned from his mother and father. He will be greatly missed, but his legacy will live on in our family.
